Equiduct is the electronic trading segment of the Regulated Market Börse Berlin. Equiduct Systems provides Market Notices covering operational information including data, functional and procedural changes to the trading system. The notifications are not intended to impact regulatory issues that are the sole preserve of Börse Berlin acting as the regulated market operator and who provide separate announcements related to regulatory changes which can be found at BSX Announcements.

Börse Berlin serves as the Regulated Market Operator for the electronic trading segment Equiduct.

BSX announcements cover regulatory issues associated with the Exchange. Information covering operational information including data, functional and procedural changes to the trading system is published in Market Notices provided by Equiduct Systems which can be found at Equiduct Market Notices.
